S'Albufera

High-tech infrastructures and Great professionals

Mallorca has the services of audiovisual companies and highly qualified and varied professionals. Film and video equipment, sets, actors, service producers...

Castell de Bellver

La Calobra

Far de Sa Colònia

Mallorca, the best locations in the heart of the Mediterranean

Connected to the world

Mallorca is less than two hours from the main capitals of Europe and you can drive from one end of the island to another in less than an hour.

Gran Hotel

Catedral de Palma

More than 300 days of sunshine every year

Mallorca offers 364 square kilometers of beautiful landscape with the blue backdrop of the Mediterranean. Its climate, clear light and long sunny days provide the ideal conditions for any shoot.

Banyalbufar

Infinity of locations

The island has a wide variety of locations, from paradisiacal beaches, mountains and rural villages, to a modern and cosmopolitan city, historic centers or a diversity of surprising architectural styles: from medieval castles and churches to the most up-to-date design.

Costa Nord

Mallorca Film Commission

You can count on our continuous support and professionalism throughout your filming and throughout the production process: shooting permits, logistical and legal advice, search for qualified professionals with extensive experience, scouting ... And all the information you need.
